

EXPERIMENT 4

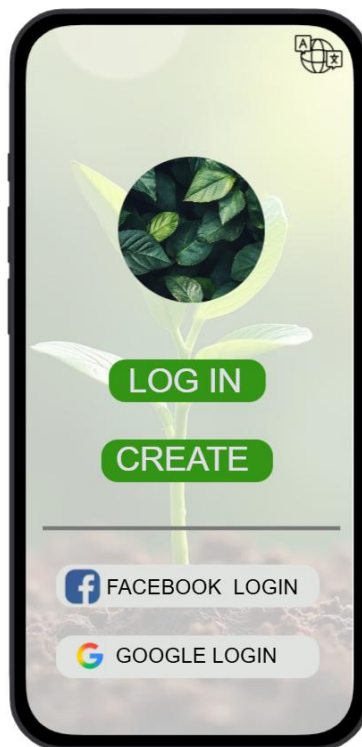

ROLL NO: 240701118

NAME: DHARANIDHARAN P

Aim:

Create a prototype with familiar and unfamiliar navigation elements and evaluate ease of use with different user groups using Proto.io.

Screen 1: Sign In / Welcome Page:

Familiar Elements:

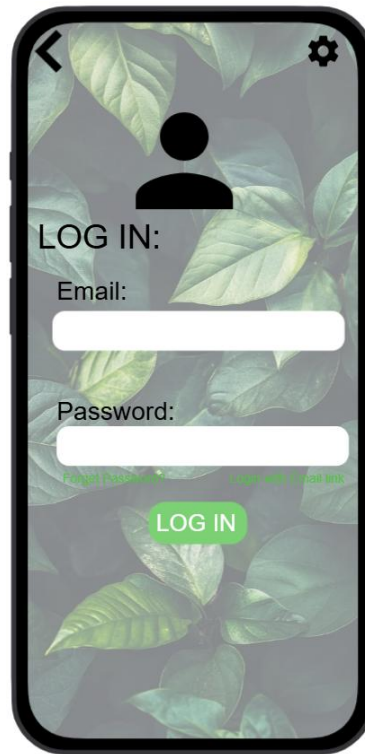

1. **Log In Button** – Standard login action.
2. **Create Button** – Used for new user registration.
3. **Facebook Login Button** – Recognizable social login option.
4. **Google Login Button** – Common third-party authentication method.

Possibly Unfamiliar Elements:

1. **Circular Plant Image Logo** – Decorative UI element that may also act as branding.

2. **Leaf Background Design** – Aesthetic element, not interactive.

Screen 2: Login Form:

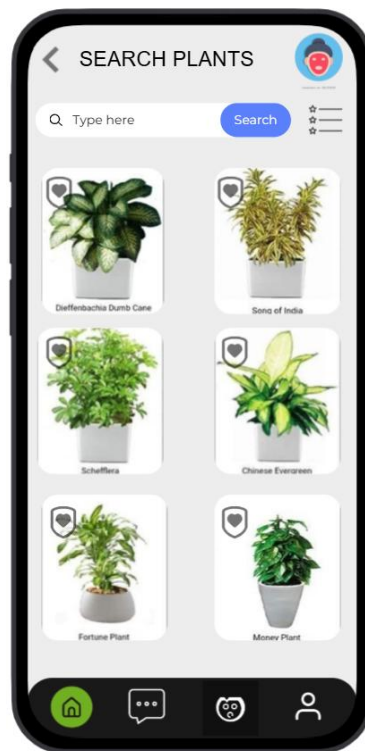

Familiar Elements:

1. **Back Arrow (←)** – Navigates to previous screen.
2. **Email Field** – Standard text input.
3. **Password Field** – Secure input field.
4. **Login Button** – Submits credentials.
5. **Settings Icon (⚙)** – Usually opens app settings.

Possibly Unfamiliar Elements:

1. **Login with Email Link Text** – May confuse users whether it is a link or label.
2. **Green Highlight Text for Forgot Password** – May be mistaken for decoration instead of clickable text.

Screen 3: Search Plants (Home Page):

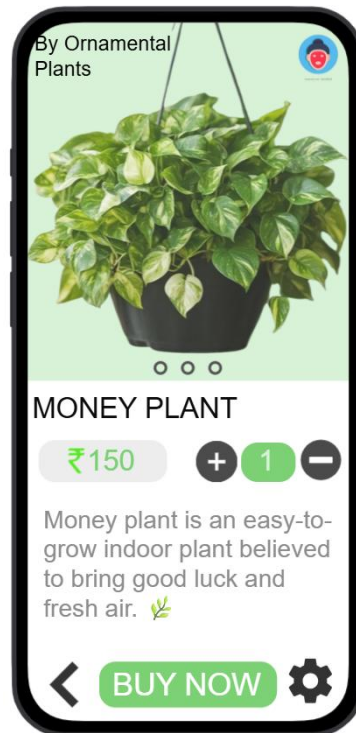

Familiar Elements:

1. **Search Bar** – Standard search interface.
2. **Search Button** – Executes search query.
3. **Plant Cards** – Grid layout displaying items.
4. **Bottom Navigation Bar** – Common app navigation.
5. **Profile Avatar Icon** – Opens user profile.

Possibly Unfamiliar Elements:

1. **Heart Icon on Cards** – Some users may not immediately understand it means “favorite.”
2. **Icon-only Bottom Navigation** – Without labels, beginners may struggle.

Screen 4: Plant Details Page:

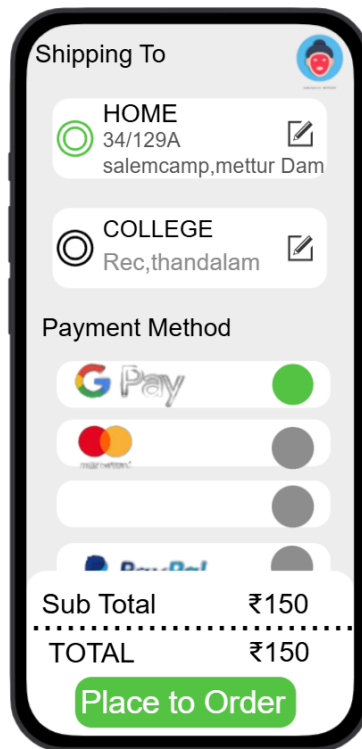

Familiar Elements:

1. **Back Arrow** – Returns to previous screen.
2. **Product Image Carousel Dots** – Indicates multiple images.
3. **Price Display (₹150)** – Standard pricing format.
4. **Quantity Selector (+ / -)** – Common in shopping apps.
5. **Buy Now Button** – Call-to-action.

Possibly Unfamiliar Elements:

1. **Settings Icon at Bottom** – Unusual placement may confuse users.
2. **Minimal Labels for Controls** – Users rely on icon recognition.

Screen 5: Shipping & Payment Page:

Familiar Elements:

1. **Address Selection Options** – Radio button selection.
2. **Edit Icon** – Modify address.
3. **Payment Method List** – Standard checkout feature.
4. **Total Amount Section** – Summary of payment.
5. **Place Order Button** – Final purchase confirmation.

Possibly Unfamiliar Elements:

1. **Toggle-Style Payment Selection** – Might be mistaken for switches.
2. **Greyed Payment Options** – Users may think they are disabled.

Screen 6: Payment Success Page:

Familiar Elements:

1. **Checkmark Symbol** – Universal success indicator.
2. **Back Button** – Returns to previous page.
3. **Arrow Navigation Buttons** – Move between screens.

Possibly Unfamiliar Elements:

1. **Large Blank Space** – May make users unsure if action is complete.

Screen 7: Thank You Page:

Familiar Elements:

1. **Home Icon Button** – Returns to home screen.
2. **Back Arrow** – Goes to previous page.

Possibly Unfamiliar Elements:

1. **Illustration-Style Message** – Users may not realize it's the final confirmation screen.
2. **Minimal Text Instructions** – Lack of guidance may confuse new users.
